BUSINESS OF THE HOUSE

Sri RAMAKRISHNA HEGDE.—Sir, what about my short notice question ?

Mr. SPEAKER.—It will come.

Sri J. B. MALLARADHYA.—A number of half an hour discussions on questions are pending. In the whole of the last session not even one question was taken up. I understand there are something like 10 or 11 requests for half an hour discussions.

Mr. SPEAKER.—I will consider the matter. On Wednesdays and Fridays, we can take up half an hour discussions. The matter has been brought to my notice.

† Sri C. M. ARUMUGHAM.—During the budget discussion I submitted to the Speaker and through him to the Chief Minister that a discussion should take place on the reports of the Commissioner for Scheduled Castes and Scheduled Tribes. You will kindly see that the Commissioner has stated in his report that the reports should be placed before the State Legislatures. It was placed before the Andhra and Madras Legislatures but the Chief Minister of this State said he would consider it. In view of the fact that the entire population of the State has been declared backward—I do not know how it was done—an opportunity should be given to the Members of the Legislature to discuss the report and also the report of Nagangowda and the Government Orders thereon. I request that the Speaker may allot a day or two for this purpose.

Mr. SPEAKER.—I will consider the matter.

Sri B. D. JATTI.—The Report of the Backward Class Commission was placed on the floor of the Parliament and not State Assemblies.

Sri C. M. ARUMUGHAM.—I am speaking of the Report of the Commissioner for scheduled Castes and Tribes. This is the way that the Government is furnishing replies to Members. The Commissioner himself says that his reports should be placed before the State Legislature. As a matter of fact, the Minister for Social Welfare,
